

WELCOME HOME TO

The Choptank

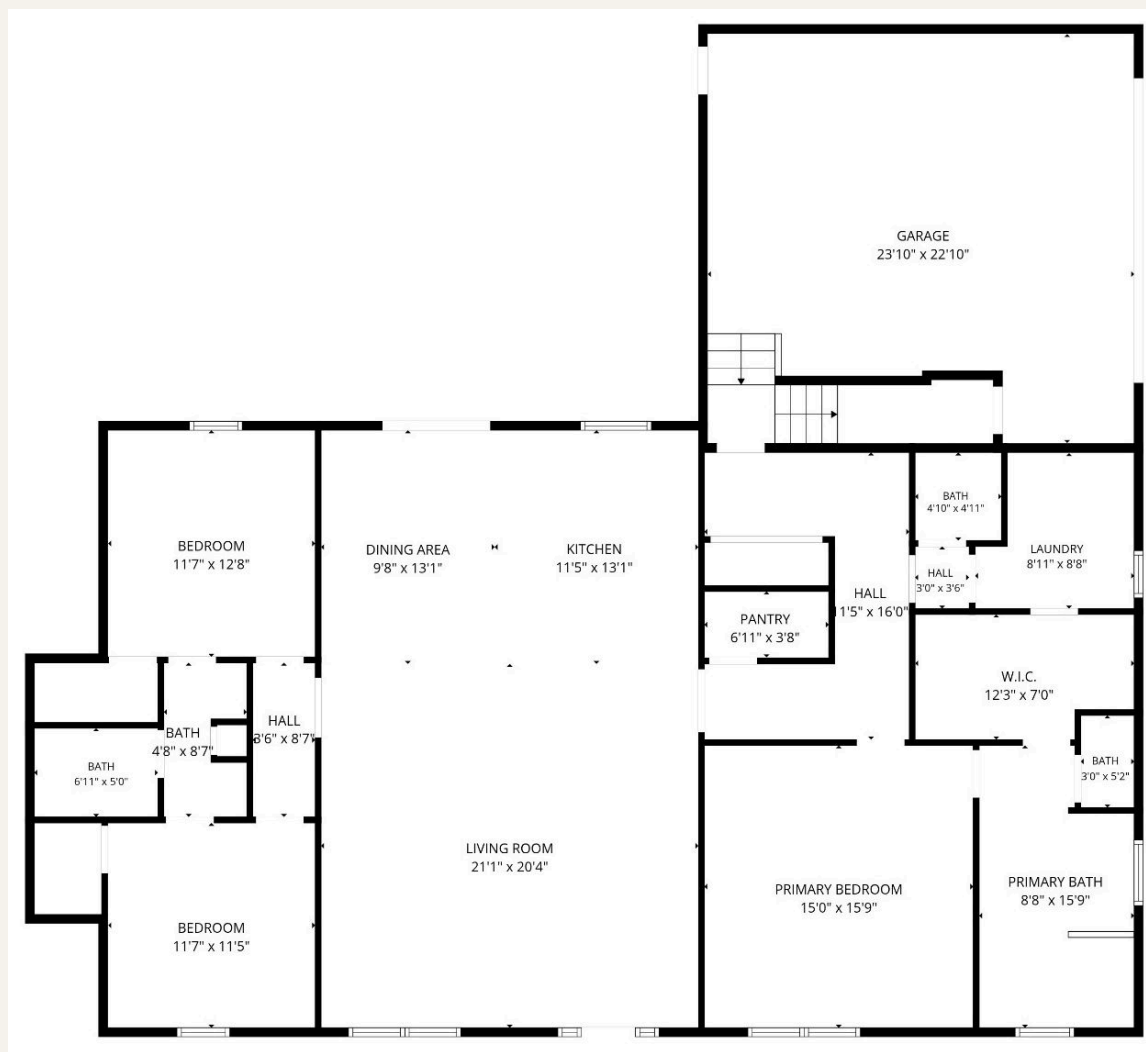

3 BEDROOMS / BONUS ROOM / ATTACHED GARAGE

Coastal calm.
Room for country living.

Airy blue-gray siding, weathered shakes and welcoming porches frame a home with open gathering spaces and a main-level primary suite.

Life on the main level.

Connected gathering spaces, private bedrooms and everyday convenience.

01

Gather together

Open living room, dining area and kitchen, with a nearby pantry.

02

A private retreat

Main-level primary bedroom, walk-in closet and dedicated bath.

03

Everyday ease

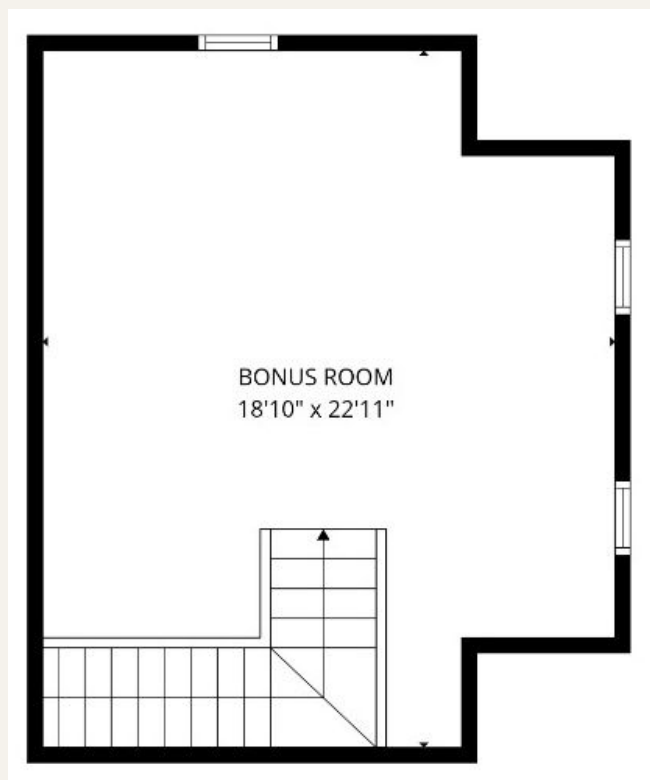

Two additional bedrooms, laundry and an attached garage.

2,021 SQ. FT.

First-floor living area

Room to make your own.

A separate upstairs bonus room adds flexible space above the garage.

434 SQ. FT. / SECOND FLOOR

Bonus room: 18'10" x 22'11"

A coordinated coastal country exterior.

White garage doors and trim complement the blue-gray siding and weathered shake accents carried around the home.

2,455 SQ. FT.

Total living area

As reported on the uploaded floor plan

Enjoy a little more of the outdoors.

A covered rear porch creates a relaxed connection to the backyard.

A PLACE TO PAUSE AND GATHER

Soft colors, white columns and informal planting bring the coastal country palette together.
